

Newsletter No6/January 2007 – NON-TOXIC INTAGLIO

Dear Printmakers,

Since I published my last newsletter in November 2006 a few new things happened.

1) New Homepage - select the Danish, English or Spanish version – you are invited to have a look

<http://www.artbag.dk/www-grafisk-eksperimentarium-dk/modelNy4.html?sprog=uk>

2) Summer Workshops in my new studio in Capileira (Granada) in Andalucía in Spain

The dates for the summer workshops 2007 in Spain are: June 30th - July 8th and July 28th – August 5th

Click homepage above > click workshops

3) UV Exposure Unit

I have designed a new cheap **UV-LIGHT BOX** ready to assemble and place on top of a cabinet

Complete light box with 300 Watt UV bulb and fittings.

Click homepage above > click shop > click materials and equipment > click INFO under “UV exposure unit with lamp ready to use”

4) Vertical Etching Tanks

I have the new etching tanks with extended drip edge and air pump in stock.

Click homepage above > click shop > click materials and equipment > click INFO under “Etching Tank with accessories”

If you are in doubt about anything – please send me a mail

My newsletters are published in English and Spanish language – if you do not want to receive my newsletters in the future – just tell me by mail.
